DO YOU NEED TO ENROLL?

For 2024, if you take no action, you'll be automatically re-enrolled in the coverage you have today, except for spending accounts and, for salaried partners, long term disability. You will need to enroll to maintain this coverage.

OPEN ENROLLMENT OCT. 30–NOV. 10, 2023

Open Enrollment is your once-a-year chance to review and update your benefits for 2024 without a qualified life event. It's a great opportunity to reassess your coverage and ensure you have the right benefits for you and your family. Any changes you make will go into effect February 1, 2024.

Join Petco Benefits team members for on-site open enrollment meetings where you'll learn about what's new for 2024 and how to enroll in benefits.

WE'LL COVER MEDICAL, DENTAL, VISION BENEFITS AND MUCH MORE:
